

How to Use Our Estimate Template

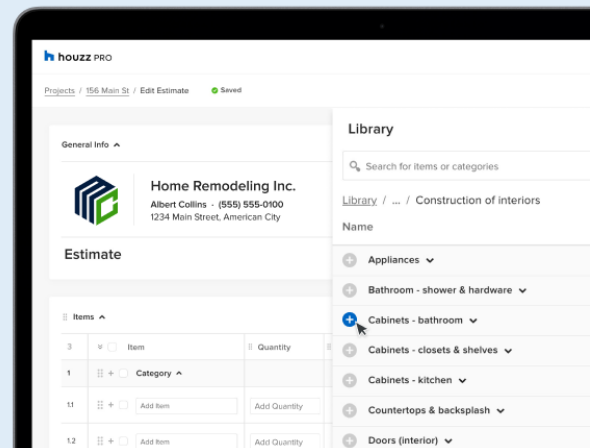

1. Make a copy of this document to save for future estimates.
2. Edit and fill the template on the next page with all the info your estimate needs.
3. Personalize your work by adding your company logo to the letterhead.
4. Delete this cover page and the prefilled sample estimate at the end.
5. Send it off to your client!

 **Pro Tip:** You can create professional estimates even quicker by using Houzz Pro's Estimate builder—complete with a library of local labor and materials costs.
